

DIRECTIONS TO THE LODGE

SAT NAV Warning:

If you use satellite navigation to our post code from the south it often brings you in via a very narrow, muddy road with 3 gates that you will need to get out and open. To avoid this, don't turn off the A470 until you get right into Rhayader, then it should find us OK.

From the main cross roads in the centre of Rhayader take the B4518 signposted Elan Valley & Elan Village. **If your satnav tells you to turn left after a mile please ignore it**, carry straight on towards Elan Village, it should sort itself out and direct you the rest of the way.
